

Huron Perth Chapter of the Ontario Woodlot Association

Ken Wagler Property Tour

**Saturday September 30, 2017
9:30 a.m.**

This outing will include a walking tour Ken Wagler's forested property west of Tavistock as well as a demonstration of his Woodmizer sawmill and shingle mill attachment. This is a lowland woodlot with cedar and tamarack, so will be a little different than many of the woodlots we have toured. Ken will also profile several projects where he has utilised products from his sawmill and demonstrate an innovative bee hive he has recently installed. No doubt there will also be other interesting discussion and networking.

Location: (see map on following page)

- 984514 Perth Oxford Road
- The property lane is located where Perth Road 110 intersects with Perth Oxford Road
- it is approximately 6.5 km southwest of Tavistock

Parking: there is room for several cars in the yard, but the remainder can park along the road.
